

Skyview Gymnastics Presents:

Sunshine Circus - Student Showcase Performances 2018

A Skyview tradition for 25 years!

You've probably noticed that the energy in the gym is a bit different these days. Skyview classes are excitedly preparing for their performances, and, in the process, working on a whole new set of skills. We're using music, choreographing and practicing routines, experimenting with acrobatics, polishing movement with pointed toes and dramatic presentation, and learning how to work as a TEAM. At the end of each Showcase performance there will be a special Award for every student - acknowledging a year of hard work and accomplishments in gymnastics. **Parents, families, and friends are most definitely invited.**

Each Skyview class (Butterflies and above) will perform on June 12, 13, 14, or 15, 2018

PARENTS! If there is ANY reason why your child cannot participate in the assigned Team Showcase, PLEASE tell your child's instructor immediately. We are counting on every child's participation. Choreography and costumes are created for a certain number of performers. It is also important for every child to be at every class from now until the end of the term. Again, choreography – acrobatic skills, entrances and exits, lines/formations, pantomime – depends on everyone being there. There is no way to “make up” a class/rehearsal that is missed.

ON Show Day:

- Participants should arrive and be in the gym ready to go at the designated time (5:30 or 6:30).
- The audience will be admitted approximately 15 minutes prior to show time.
- Girls should arrive wearing a warm-up leotard (and appropriate under garments) with hair done for gymnastics - pulled back, securely away from the face. Pony tails, pig tails or braids are good. (We will not have hair bands and clips for everyone, so please bring your own!)
- Boys should be dressed as if for class - fitted T-shirt, athletic style shorts
- Costumes will be distributed just before the performance and must be returned before you leave.
- Awards for EVERYONE will follow the show.

Don't forget to bring your camera and/or video camera!
